OUR PRODUCTS SPEAK FOR THEMSELVES

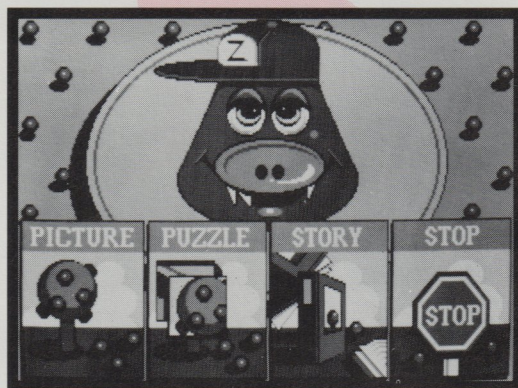

The Dinosaur Discovery Kit™

Zug, the talking Megasaur, helps children build reading skills.
Ages 3-8

Suggested retail price: \$39.95
Macintosh
Apple IIGS
IBM/Tandy
Amiga

The Dinosaur Discovery Kit presents young children with a multi-media world full of realistic and imaginative dinosaurs. Zug is a delightful talking Megasaur who helps children learn about dinosaurs and build early reading skills. With the aid of an unlimited "voice-like" technology, children can work independently to: *Learn picture word combinations, Create stories by selecting picture icons, Read simple sentences, Read short stories, Practice visual discrimination.*

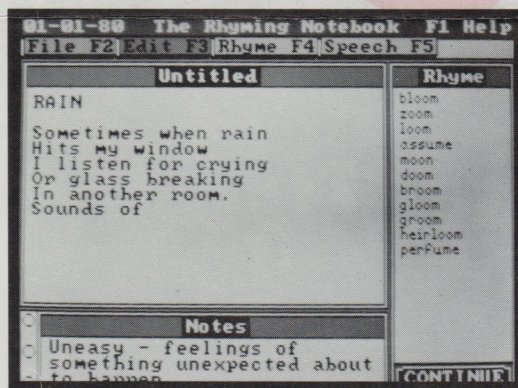

The Puzzle Storybook™

Zug, the talking Megasaur, helps children build early problem solving skills.
Ages 3-8

Suggested retail price: \$39.95
Macintosh
Apple IIGS
IBM/Tandy
Amiga

Zug the Megasaur is back with a **Puzzle Storybook** for young children. Combining language arts activities with geometric shapes and visual discrimination projects, Zug leads children through a graphic playground presenting the following learning opportunities: *Build scenes from Zug's Picture Library, Solve tile and geometric shape puzzles, Write stories and hear them spoken, Decode unknown words, Practice visual discrimination skills, Solve problems - make decisions.*

The Rhyming Notebook™

One of the Talking Notebook Series
Ages 8-Adult

Suggested retail price: \$39.95
Macintosh
Apple IIe/IIc (non-speaking)
Apple IIGS
IBM/Tandy
Amiga

The Rhyming Notebook is an indispensable tool for anyone who writes with words that rhyme. Its simple, easy-to-use format makes it a practical solution for writers, poets, and songwriters who need quick access to an extensive rhyming dictionary. Its search and find capabilities allow the writer to concentrate on the creative process by letting the computer do the mechanical work of presenting rhyming word options. *An easy-to-use word processor with notepad, unlimited "voice-like" speech to hear all text, and a 30,000 word rhyming dictionary.*
